Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 22 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with sunny spells, feeling warm in the sunshine.

Today:
A predominantly dry day with sunny spells, the best of these developing across the southwest Wales. An outside chance for the odd light shower in cloudier conditions in the north. Feeling warm in the sunshine, with light winds. Maximum temperature 20 deg C (68 deg F).

Tonight:
Remaining mostly dry into the evening and throughout the night, with a small chance of the odd, light shower occurring. Feeling muggy. Minimum temperature 11 deg C (52 deg F).

Monday:
A cloudy start to Monday, but the cloud breaking up by the afternoon to give sunny spells. Remaining dry for most, but for a few light showers in the west. Maximum temperature 23 deg C (73 deg F).

Outlook for Tuesday to Thursday:
Prolonged spells of sunshine for the next few days and dry conditions for most, with light winds and feeling warm.
